

# Year 5 and Year 6 Camden Athletics Champions!

The year 5 and year 6 team had a lovely day competing against other Camden schools in field and track events including triple jump, vortex throw, sprints and 800m. Christ Church children worked hard in their individual events, many earning points for their school and many achieving medals for first, second and third places. They were also brilliant at cheering each other on! **We were extremely proud to be the champions!**
