Bread Making - Soda Bread with Year 3

October 2026

Year 3 weighed the flour, salt and bicarbonate of soda, then mixed it with buttermilk to form a dough. They shaped the dough and finished with a cross on the top. It was delicious when it was baked!

Bread Making - Pizza with Year 4

October 2026

Year 4 made a pizza dough and kneaded it until it was smooth. They rolled out the base for the pizza then added toppings of pasta and cheese.

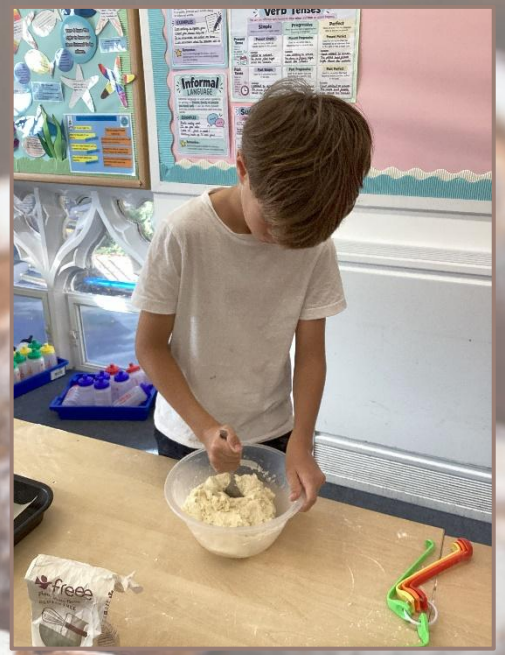
Bread Making – Focaccia with Year 5

October 2026



Year 5 made focaccia bread. They measured the ingredients for the dough, shaped it into the tin and left it to prove. They decorated and flavoured the bread with olive oil and rosemary before baking.
