Try Something New Week – Art

As part of Try Something New Week, Reception, Year 2, Year 3 and Year 5 got creative and tried a range of new art skills including collage, printing and origami!

I TRIED SOMETHING NEW

Reception children collaged these very colourful fish!

Year 2 used modelling clay to make printing blocks in the shape of shells and printed them using printing ink and rollers.

Year 3 and Year 5 both had a go at origami and made origami birds and dogs!
